

**FOR IMMEDIATE RELEASE**

April 2012

**MOEN HOME CARE EXPANDS LINE OF DESIGNER GRAB BARS WITH ACCESSORIES  
WITH NEW CORNER SHELF AND FINISHES**

*Oakville, Ontario...* Moen Home Care, a leader in providing both safe – and design forward – bath safety products continues to help ensure that every bath is a safe bath by adding new products and finishes to the popular Designer Grab Bars with Accessories collection.

- The complete line of Designer Grab Bars with Accessories includes:
  - New Grab Bar with Corner Shelf – adds extra stability and convenient storage in the bathtub or shower.
  - Grab Bar with Towel Bar – ideal for stability when transferring in and out of the shower or tub.
  - Grab Bar with Paper Holder – assists when lowering or raising on and off the toilet. The curved design allows the paper to be replaced easily.
  - Grab Bar with Shelf – provides added stability and storage in the bathtub or shower keeping items conveniently within safe reach.
- Each features a 250-pound weight capacity, which meets ADA weight-load standards
- Finishes include: Chrome, Brushed Nickel and Old World Bronze finishes
- Includes SecureMount™ Anchors for a quick, easy and secure installation
- Limited Lifetime Warranty
